Meeting opened: 7.45 pm

1. Minutes from the 04/10/06 meeting be accepted:

Proposed: M. Steer Seconded: C. Birch

Carried.

1.1 Matters arising from the minutes:

- 1.a Item 3.5 The President to write a letter to the CMSC regarding construction/installation of speed bumps either side of the railway bridge. Letter to include details of accident history at this section and a sketch of area.
- 1.b The Mayor was under the impression that the MRCA was a 355 Committee. It was reaffirmed by the Committee members present that there was no intention of becoming a 355 Committee. The Treasurer commented that additional funds would have to be sourced in order to pay for Public Liability and Volunteers' insurance cover premiums unless the Committee decided to continue its risk activities under the umbrella of the Michelago RFS.
- 1.c Other items that needed to be discussed but were postponed until the next meeting were:-
The multi purpose court (site of the present tennis court)
Oval – playground equipment, shade trees
Plantings – Ryrie Street
- 2. Treasurer's report: M. Hughes**
No significant change to the accounts since report of 02 August 2006
