

Rubbish Collection

Thursday, 02 May 2019 00:00 - Last Updated Friday, 09 August 2019 09:42

MRCA has passed on to Council community concern about the increase in charges for the Saturday morning rubbish collection truck, and noted some confusion over options for kerbside pickup. We are arranging community consultation with Council on these matters, and will post updates here and on facebook.

Household rubbish and recycling collection trucks are currently available every Saturday **to 11am** near the oval. Also, Bredbo has a transfer station for local residents to dispose of larger items. More information about rubbish collection and recycling is available from the [Cooma-Monaro Council web site](#)
