

It is with sadness, given the uncertainty of timing for social distancing laws, that the Spring Fair committee have made the decision to not hold the fair this year. Hopefully we can come back bigger and better in 2021!

All hope is not lost and we understand the importance of maintaining community connections. We are currently investigating options to hold a smaller community event Christmas market in December which will give the community a chance to come together, of course abiding by social distancing laws in place at the time. We know many of you are using this time at home to get crafty, making jams or get busy in the garden etc. This is a way to keep busy now and then do some Christmas shopping and support the local community later on in the year!

We will keep you updated as planning continues and we are keen if anyone wants to jump on board to help!
